A last will and testament is one of the most important documents an individual will ever prepare. Yet in many cases, estates have not been distributed according to the wishes of the individual simply because the estate plan was outdated:

- *Have you moved from another state?*
- *Have tax laws changed?*
- *Have your charitable interests changed?*
- *Has the size of your estate increased markedly?*
- *Has anything changed in regard to your children's needs or marital status?*
