*Director of Student
Ministry*

Church Family, I want to thank you for your faithful support of our student ministry! Your support is essential as we seek to raise up the next generation of faithful

followers of Jesus; therefore, I want you to be aware of two specific opportunities for you to be involved with our student ministry.

First, our Missions Lunch and Cake Auction is coming up on April 14th! This is always a fun event for our students to put on, and it's a great time of fellowship for our church family! The funds raised from this event will allow our high school students to serve a local church in Wales by holding a Vacation Bible School for their

community—your participation will make a difference in the lives of our students and in the lives of children in Wales. You can participate in two ways—first, be there to eat lunch with us and participate in our cake auction as I exercise my amateur auctioneer skills! Second, if you've been blessed with cake-making abilities, make a cake and donate it to be auctioned off! You can sign up to attend and to donate a cake on the church website. We hope to see you at the Missions Lunch and Cake Auction after worship on April 14th!

Secondly, we have opportunities for you to serve in our ministry. It's easy for us to be discouraged about young adults leaving the church and the faith, but you have an opportunity to make a difference—young adults are much more likely to continue following

Jesus after high school if adults intentionally invest in their lives in their teenage years. Our teenagers need to be in the presence of faithful older believers that will point them to Jesus- if you want to make a difference in the next generation, I'd encourage you to reach out to me about serving with our student ministry small groups, which meet on Wednesday nights and Sunday mornings. Additionally, we have an opportunity for you to serve our Congolese students. I hope you were able to be here for our Baptism Sunday, as it was a great blessing to see many of our Congolese students begin their walk with Christ! To ensure that our students are able to be here and be disciplined, we're running the church bus on Wednesday nights. We need bus drivers and riders to help with this ministry; if you're interested in caring for our Congolese students in this way, please reach out to me!

Again, I'm so thankful for the way that you care for and support our students. I'll echo Abby's comments from last month-It's

rare to find a church who cares for the next generation so well. You are a vital part of our efforts to make disciples who will faithfully follow Jesus for years to come.
